A. It was as strangely quiet as the farmlands. Not a voice, not a face. It was difficult to feel uneasy in an ordinary-looking town on a sweet spring morning, but in such silence he must wonder if he was indeed in a plague-stricken place or an island under a curse. He went on. Between a house and an old plum tree was a wash line, the clothes pinned on it flapping in the sunny breeze. A cat came round the corner of a garden, no abandoned starveling but a white-pawed, well-whiskered, prosperous cat. And at last, coming down the steep little street, which here was cobbled, he heard voices..with the animals, the dusky places. The cat leapt there, and then there was milk, and the deep side, on the sand, a female dancer. She appeared to be naked, but the whiteness of her body was. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (102 of 111) [2/5/2004 12:33:32 AM]. "When he gets himself a girl," Golden said, in answer to whatever it was she had been saying, "he'll be all squared away. Living with the wizards, you know, the way they are, it set him back a bit. She didn't understand him, but the idea of fearing him, him personally, was not one she could keep in mind. She tried to be respectful, but it was impossible. She thought he was clever and quite handsome, but she didn't think much about him, except for what he could tell her. He knew what she wanted to know and little by little he told it to her, and then it was not really what she had wanted to know, but she wanted to know more. He was patient with her, and she was grateful to him for his patience, knowing he was much quicker than she. Sometimes he smiled at her ignorance, but he never sneered at it or reproved it. Like the witch, he liked to answer a question with a question; but the answers to Rose's questions were always something she'd always known, while the answers to his questions were things she had never imagined and found startling, unwelcome, even painful, altering all her beliefs..those black machines. you understand?" he said, exasperated with her for not understanding, because he had not. It was hard work out in the pastures. "Who doesn't do hard work?" Emer had asked, showing her round, strong arms, her hard, red hands. The cattleman Alder expected him to stay out in these meadows until he had touched every living beast of the great herds there. Alder had sent two cowboys along. They made a camp of sorts, with a groundcloth and a half tent. There was nothing to burn out on the marsh but small brushwood and dead reeds, and the fire was hardly enough to boil water and never enough to warm a man. The cowboys rode out and tried to round up the animals so that he could come among them in a herd, instead of going to them one by one as they scattered out foraging in the pastures of dry, frosty grass. They could not keep the cattle bunched for long, and got angry with them and with him for not moving faster. It was strange to him that they had no patience with the animals, which they treated as things, handling them as a log rafter handles logs in a river, by mere force.. "Oh, yes," he said, confused, and got up and limped back to the bedroom for his pouch. He brought her a piece of money, a little Enladian crownpiece of gold.. "Destroy us? Destroy this hill? The trees there?" She looked down to a grove of trees not far from the hill. "Maybe Segoy who made them could unmake them. Maybe the earth will destroy herself. Maybe she'll destroy herself through our hands, in the end. But not through yours. False king, false dragon, false man, don't come to Roke Knoll until you know the ground you stand on." She made one gesture of her hand, downward to the earth.. After a long pause he went on. "You know that a dragon brought back our Lord Sparrowhawk, with the young king, from the shores of death. Then the dragon carried Sparrowhawk away to his home, for his power was gone, he was not a mage. So presently the Masters of Roke met to choose a new Archmage, here, in the Grove, as always. Diamond sat in his own sunny room upstairs, on his comfortable bed, hearing his mother singing as she went about the house. He held the wizard's letter and reread the message and the two runes many times. The cold and sluggish mind that had been born in him that morning down in the shallows accepted the lesson. No magic. Never again. He had never given his heart to it. It had been a game to him, a game to play with Darkrose. Even the names of the True Speech that he had learned in the wizard's house, though he knew the beauty and the power that lay in them, he could let go, let slip, forget. That was not his language..
